Numbers 0, 1

Color: Yellow

Shape: Square

The preschoolers are doing a great job so far with their work and learning. Their cutting skills are dramatically improving and they have learned many new Spanish words.

Please remember to reinforce the skills that we are learning at school with your child.

Welcome to the family!

Dante is 3 years old. He loves to play outside and pretend he is a dinosaur. Phoenix is 7 years old. She is homeschooled and really enjoys her computer time.

Happy Birthday to Angel! She will be 10 years old September 26th.

We are doing a Towel Drive. We are collecting as many old but usable towels as we can for the Humane Society of Tampa Bay. Please extend the invitation to all your families and friends to also contribute. We will be collecting the towels during the month of September. Thank You.
